EDITOR'S NOTE

KUDOS to the Men of SFSDS!!

It has been my observation that you men know how to be gallant on the dance floor. You protect your dance partners from other couples by being aware of the surrounding people on the dance. I go dancing at other Clubs and believe me most men don't have a clue what's happening on the dance floor. I can't tell you how many times I, or one of my friends, get bumped, stepped on and slammed into other people (I apologize a lot). Now, of course, there will always be accidents, but on the whole, I see a wonderful kind of chivalry that either has been taught or is an unwritten law/rule that has been adopted by the more "intellectual" dancer. In any case, as a potential dancing partner, thank you for understanding how much more enjoyable it can be to take a spin without worrying about your personal body. It's obvious, you guys are very dance savvy.

S.F.S.D.S. BOARD OF DIRECTOR (2002)

Here and There

by Jimmy Gee

Thanks to all my friends for wishing me well! It really helped. Carol Cotton's party was a huge success thanks to a little girl who knows how to throw a party. The decorations were absolutely beautiful. Jim Murphy and Ruthie cut a mean rug at Carol's party. Saul has a pathfinder in his car—it really works—he can find any street in Florida...What's a dance without Hal?... Bonnie and Nancy's gang came out to the dance but they should come out more often...John Butler and partner never fail to show up at our dances...All eyes were on Clint; especially when he dances with beauty after beauty. Clint's dancing has improved and he is now with the best...Gigi and Margie really came out of hiding, but with boyfriends...Though it didn't stop them from dancing with strangers...Sam has a way of making herself one of the most loveable people you know...Sam and Guido are pushing Sunday afternoon dancing at the Elk's Club...Brenda, Jackie and Sam have dinner together quite often...Speaking of dinner, John Fiotis' dinners are "out of this world"...George and Debbie will tie the knot in March...Dottie and Jose, married 30 years, and still dancing together lovey-dovey...Gloria always with that welcome look...Paula, we haven't seen you around lately...Hal seems to be everywhere you look...George Peroni doesn't let any grass grow under his feet...Terry and Pat have their own kind of swing...Ray Yang keeps me informed of all the new articles...Olga and John pretty thick for a long time...

I want to thank everyone for your Business and referring me to your friends and family. I appreciate and value the trust that you put in me to handle your Real Estate needs.
